RE: L77 Camera

Dear Joe:

This letter serves as notification that the Company plans to utilize a camera in the Operations Department on March 22nd, 2022. The camera will be used to help identify and troubleshoot a fault on L77.

The primary purpose of the recording device is for repair and/or process improvement of seamer jams. No footage of employees will be taken at any time during the process.

If you have any questions concerning this, please do not hesitate to contact this office.

Thank you,

Kelsey Wetherell
